

For 2019

Dear Counsellors, dear Friends,

At first we wish you a very happy and successful year 2019.

Let's start 2019 and share our video with all your contacts: <https://youtu.be/ERtKEtgOBQo>

We are currently preparing the 2019 sessions of JUNIOR AND TEEN CAMP. We already have campers enrolled today. The Riders Hotel is renovated as you know – we'll prepare it for welcoming our campers. The new design plays on the contrast between nature and culture and strikes a balance between them in clever, subtle ways. It is currently filled with snowboarders and skiers from all over the world and will again be our home from June 23rd, July and August. Murschetg, JTC's headquarter, is developing, the village – rock resorts, shops, restaurant, cable car, playground, free style academy are in direct surrounding of THE CAMP. We have also day campers signing in from different resorts.

We would like you to be part of our Team, as a full member, ready to work with us and to give your best to the girls and boys, 6 to 16 years old attending the camp. If you are ready to once again share in a new adventure, please submit an application and indicate that you are a former counsellor. You know that the camp is not a holiday for us; it is intensive work and not the place to spend holidays with your boy or girl's friends. Take some time before or after the camp for it!

You'll find the application form on our website:

<http://www.jtcamp.ch/camp.html?c=4> please return it by e-mail to mail@jtcamp.ch. Join the document attached with the application form.

We need all of you on the first day of training since it is very important to build up the team. We are pleased to have received news that some of you are ready to participate and create again an amazing summer for youth from all over the world.

We have a special language (only English) week before the official date – starting on June 23rd. Please mention on the mail, when you return the application form: I could participate at the intensive English Week before the camp, I could arrive on June 20th, 2019).

Many former campers will be returning...and they are expecting even more than last summer! We have a group looking for the leadership certificate again! ... and campers staying for the whole camp! We need your energy, your skills, your ideas...we need you!
