

January 2018

Dear Counsellors, dear Friends,

At first we wish you a very happy and successful year 2018.

Let's start 2018 with our brand-new video! Share with all your contacts: <https://youtu.be/ERtKEtgOBQo>

We are currently preparing the 2018 sessions of JUNIOR AND TEEN CAMP. We already have campers enrolled today. The Riders Palace is renovated and called now RIDERS HOTEL. The new design plays on the contrast between nature and culture and strikes a balance between them in clever, subtle ways. It is currently filled with snowboarders and skiers from all over the world and will again be our home for July and August. Murschetg, JTC's headquarter, is developing, the village – rock resorts, shops, restaurant, cable car, playground, free style academy is the direct surrounding of THE CAMP. We have also day campers signing in from different resorts.

We would like you to be part of our Team, as a full member, ready to work with us and to give your best to the 6 to 16 year olds attending the camp. If you are ready to once again share in a new adventure, please submit an application and indicate that you are a former counsellor. You know that the camp is not a holiday for you; it is intensive work and not the place to spend holidays with your boy or girl's friends. Take some time before or after the camp for it!

You'll find the application form on our website:

<http://www.jtcamp.ch/camp.html?c=4> please return it by e-mail.

We need all of you on the first day of training since it is very important to build up the team. We are pleased to have received news that some of you are ready to participate and create again an amazing summer for youth from all over the world.

We may have a special language (only English) week before the official date – starting on June 24th. Please mention on the mail, when you return the application form: I could participate at the intensive English Week before the camp , I could arrive on June 21st, 2018). We will decide in April if this extra session will be open or not.

Many former campers will be returning...and they are expecting even more than last summer! We have a group looking for the leadership certificate again!

We need your energy, your skills, your ideas...we need you!

New dates of employment: 2018 Arrival and Departure dates - compulsory:

A: Arrival: June 26 afternoon or evening	Departure: July 22	after 12h00
B: Arrival: July 18 before 3 pm	Departure : August 14	after 12h00
